## I THE PROPERTY

*Built on the site of a 15th century watchtower*

An artfully restored 6-bedroom farmhouse, features two spacious living areas with fireplaces and a reclaimed Parisian bar for your nightly aperitivo as well as a gourmet kitchen, wine cellar, and

a large dining room suitable for hosting corporate meetings. A 7th bedroom with en suite bath can serve as additional guest accommodation or as your dedicated office should you require a place to stay connected.

enormous stone terrace and houses your private Roman spa featuring dry and steam saunas, a sensory shower and oversized whirlpool tub to help you relax and rejuvenate after a long day of exploring Tuscany.

Also located in the cottage is a well-outfitted catering kitchen

and grilling area that can be made available to private chefs serving your events or get-togethers.

The catering kitchen and its lower-level terrace are often home to cooking classes and demonstrations that can be scheduled for your guests' enjoyment.

The Villa's outdoor spaces include a heated salt-water infinity pool overlooking vineyards, a bocce court, an outdoor bar area and a wood-fired pizza oven.

As is all but ritual in Tuscany, you may enjoy securing fresh eggs each morning from the chicken coop or picking a variety of herbs and produce from the Villa's

culinary garden.

With spectacular views from dawn through sunset, Villa Ardore's grounds are spacious enough to host an intimate wedding, birthday or special gathering with friends or family.

The grounds are equally suited for yoga retreats, writer's groups and artisan workshops.
